"Developing a strong foundation in programming languages as an enthusiastic Software Engineering student, with a passion for contributing to innovative projects."

Projects

University Grade Predictor

Developed a Python program to predict student progression based on pass, defer, and fail credits, showcasing Python proficiency in addressing academic challenges.

Technologies used – Python, py3 graphic py

Plane Management

Created 'Plane Management,' a program to manage and track aircraft seat reservations, enhancing efficiency in the aviation industry.

Technologies used – Java

AquaMart

Contributed to AquaMart, a website for water distribution and donations to water-scarce countries, supporting global water scarcity solutions.

Technologies used – HTML, CSS, JavaScript

Cool Cal by Govini

Developed Cool Cal by Govini, a web app offering a range of math calculations and unit conversions on a single platform, streamlining multiple tasks for users.

Technologies used – HTML, CSS, JavaScript.

Expertise

- Java
- Python
- HTML,CSS
- JavaScript
- OOP (Object-Oriented Programming)
- React
- Node js
- SQL

Academic qualifications

University of Westminster (IIT, Sri Lanka) BSc (Hons) Software Engineering

September 2023 – Present, Year 2

Education

Sanghamitta College, Galle

January 2009 – January 2023

- Advanced Levels in Biology stream (2022/2023 Jan): 3 Cs
- Ordinary Level (2019): 8 As, 1 C

➤ Hackathons

Problem Solving International Hackathon 2024

- University of Westminster

24-Hour Competitive Programming Hackathon, Coderally 5.0

- IEEE Computer Society

Haxpedition Mini Hackathon 2024

- IEEE Computer Society

IEEE Extreme 18.0 Programming Competition (24 hours)

- University of Westminster, IEEE Computer Society

➤ Extracurricular Activities

Science Society Treasurer at Sanghamitta College, Galle: (2020-2022)

- Managed finances and coordinated educational events for the Science Society.

Inventors Society Treasurer at Sanghamitta College, Galle: (2017-2019)

- Managed financial transactions and budgets for the Inventors Society.
